Red Cross Campaign To Start on Monday

Each Citizen Asked For Double the Amount of Money Paid on Last Drive

On March 1st Randall County Chapter of the American Red Cross will begin to raise its quota of the 1943 War Fund Drive. The quota for this county is almost twice that of December 1941, and all donors are urged to double the amounts which they gave last year. The War Fund to be raised in the United States is $125,000,000. Last year Randall county's quota was raised easily, and it is expected that it will be this year as nearly every family in the county now knows through its own boys what the Red Cross does for men in the service.

Between January 1, 1942, and the present the American Red Cross has spent $40,000,000 for services to the armed forces and another $2,500,000 for Civilian War Aid. These figures do not include the great amounts spent by local chapters in buying materials for clothing, kits and hospital supplies.

In Randall county all the persons who helped in the War Fund Drive last year are again asked to serve. People in each community are asked to help these workers by making their donations to them, so that as little gasoline and tires will be consumed in the work. No gasoline is furnished for the use of the workers. In Canyon, donations may be left at the City Hall, at the First National Bank, at Jarrett Drug Company, or with any of the workers. T. V. Reeves, who is chairman of the War Fund Drive, spent last Friday in a regional War Fund Drive planning meeting held at Plainview.

Basketball Teams From This District Will Be Here For Annual Meet

Ten Panhandle basketball teams, from as many districts, are eligible to enter the regional Class B tournament at West Texas State next Friday and Saturday.

Ten district winners would come under normal conditions, but Coach Gus Miller, tournament director, does not expect this number. Some schools will not be able to find transportation; other winners failed to pay their Interscholastic League fees before the deadline.

Only Briscoe and Silverton had sent in their entry lists yesterday. No drawings can be made until the list of competing teams is received.

Eight district winners will participate, according to Coach Gus Miller: Briscoe, Silverton, Stratford, Robertson, Union, Abernathy, Meadow and Idalou.

The games will start at 3 p. m. Friday and last until Saturday at 3:30. The finals will be held Saturday.

WAACs Needed Monday to Fill County's Quota

Lt. Rose Smothers will be in Canyon Monday afternoon from 5 until 8 o'clock to interview young women who are interested in joining the WAACs. Lt. Smothers was here several months ago and interviewed a number of women.

Miss Zela Cross, daughter of Mrs. M. E. Cross, is the last enrollee in the WAACs from Randall county.

Mrs. Lily Wofford is county chairman and is anxious for local women who are interested in joining this organization to see Lt. Smothers, who will be at the office of the Southwestern Public Service Co.

Women are needed to take over soldiers' jobs in order to release able bodied soldiers for field service. Women 21 to 45, with no dependents, are required. Lt. Smothers will give mental examinations to those who make application.

Randall county has been given a quota of five for the first three months of 1943.

A meeting was held at the Little House of Fellowship Thursday, attended by representatives of various clubs. Mrs. A. W. Sternenberg was named vice chairman; Mrs. Berl E. Mayfield, secretary-reporter.

Attending the meeting were: Mrs. Tom Knighton, Mrs. E. D. Harrell, Mrs. J. A. Hill, Mrs. A. H. Hunt, Mrs. C. M. Dowlen, Mrs. Clyde McElroy, Miss Fannie Malone.

Funeral of W. A. Buchanan Held at Methodist Church

W. A. Buchanan, 68, died last Wednesday at the family home at Batesville, Ark. He had been a stock-farmer there for four years. The family formerly lived west of Canyon.

The body was returned here Friday night. The funeral was held at the Methodist Church Saturday afternoon at 2:30 o'clock, conducted by Rev. Stephen Shoren of Las Vegas, N. M.

Interment followed in Dreamland Cemetery in charge of the Griggs-Thompson Funeral Home. Pall bearers were: F. S. Gillham, Lester Smith, L. E. Thomas, J. W. Byrd, W. H. McKee, J. W. Shook.

Survivors are: Mrs. W. A. Buchanan of Batesville; two daughters, Mrs. Cora Drummond and Mrs. Karl Ellison of Canyon; one son, Lloyd Buchanan of Canyon; two brothers, J. L. Buchanan of Fort Worth, Wesley Buchanan of Abilene; two sisters, Mrs. J. E. Warrick and Mrs. W. E. Hall of Wellington.

John McCarty Trades Home For Farm

John McCarty has traded his residence on Fifth Avenue for the Muncy truck farm south of Amarillo on the highway.

Mr. and Mrs. W. F. Baird, parents of Mrs. McCarty, have moved to the truck farm and will make this their home.

This truck farm is one of the best improved in the county.

WOODS REPORTED

E. W. Woods left Saturday for Dallas where he reported for duty in the Navy Air Force. He has had his pre-flight training with the navy cadets at West Texas State.

Bank Will Observe March 2 Holiday

The First National Bank will be closed next Tuesday to observe Texas Independence Day.

The bank has not observed several holidays recently, but this one will be observed.

W. T. Orchestra To Give Program Tonight at 8:30

West Texas State's orchestra will appear in concert in the main auditorium at 8:30 o'clock Thursday night.

Soloists will be Vesta O'Dell, pianist, and Jean Tarlton, violinist.

It will be the first concert under the direction of the orchestra's new conductor, Robert Louis Barron, who also is conductor of the Amarillo Philharmonic.

The program will be an ambitious one. The orchestra will play the Haydn B Flat Major Symphony, the complete Suite Ancienne by Hadley, the Tschaikowsky Sleeping Beauty Waltz, and the Schubert overture to Rosamunde.

Miss O'Dell will play the Mendelssohn G Minor concerto, first movement, with the orchestra. Miss Tarlton will offer the first movement of the Mozart G Major concerto No. 3 for violin and piano.

The orchestra will be augmented by several members of the Amarillo Philharmonic.

Presbyterians to Install Jones as Pastor March 16

The Presbyterian Council met in Amarillo Monday and set March 16 as the date for the installation of Rev. Robert Jones as pastor of the local Presbyterian Church.

C. R. Burrow attended the Council meeting.

The following from Canyon heard Dr. Stuart Nye Hutchinson of Pittsburg, moderator of the General Assembly of the Presbyterian Church, U. S. A.: Rev. and Mrs. Jones, Mr. and Mrs. Burrow, Rev. and Mrs. J. R. Sharp, Rev. and Mrs. Clarence Wiley, Rev. Joe Findley, Mr. and Mrs. A. B. Haynes, Jr., and Mrs. Harvey Cash.

FAMILY DINNER

Mrs. John E. Albers was hostess at a dinner given in honor of the 79th birthday of Mr. Albers.

Seated were Mrs. Meyer of Hubbard, Neb., Mr. and Mrs. E. H. Albers, Marion and Bruce, Mr. and Mrs. Joe Albers, Mr. and Mrs. Gene Root and children, Mr. and Mrs. Henry Meyer and Mr. and Mrs. N. E. Root.

Afternoon guests were Mr. and Mrs. E. A. Michael and children and Mr. and Mrs. H. D. Michael of Wisner, Neb.

Mrs. R. B. Hicks, medical.

Low Cost For Caliche Base

Hard Surface Road From South Amarillo Comes 7½ Miles Into Randall Co.

Running the caliche base on Washington Street from the Amarillo city limits to the Precinct No. 1 boundary is practically complete, states County Commissioner Calvin Casey. This adds 7½ miles of all-weather road to Randall county's system.

Commissioner Casey is highly pleased to secure this caliche road, and was especially pleased that the cost has been so low. The total cost of the 7½ miles was $7,600, but it took only $3,800 from county funds to do the job. Donations were responsible for bearing the balance of the expense.

The caliche base is 20 feet wide. Caliche was run 9 inches, and when rolled it stands at 7 inches. About two miles of the caliche has not been rolled, hoping for rain to give the base a good soaking.

C. R. McAfee donated the caliche for the road, and the land owners made substantial donations to the road.

Many of the farmers along the new road have paid to have drives up to their homes hard surfaced.

All of the culverts, with one exception, are of tin.

No engineering fees were paid on the road, with Mr. Casey doing most of this work.

An exceptional record was made in building this road when Mr. Casey employed two women as time keepers and checkers. The women took great pride in their work.

The road will be ready for asphalt topping when the war emergency releases this material.

Gasoline Coupon Holders Must Be Turned to Board

Holders of A, B and C gasoline books must turn the back covers to the War Rationing Board when all of the coupons are used. New books cannot be issued unless the covers are returned to the board.

This information was received this week by T. S. Stevenson, clerk of the board.

Funeral of Arthur Lee King Held at Baptist Church

The funeral of Arthur Lee King, 66, was held Sunday afternoon at 2 o'clock at the Baptist Church, conducted by the pastor, Dr. Roy L. Johnson.

Interment followed in Dreamland Cemetery in charge of the Griggs-Thompson Funeral Home. Pall bearers were: Edgar Tucker, Ed Weeks, W. H. Harden, O. N. Gamble, A. L. Watson, Jim Cheyne.

Mr. King had lived in Canyon for 11 years.

He is survived by a brother, B. E. King of Canyon; two aunts, Mrs. Delia Bull of Dalhart and Mrs. J. K. Underwood of Wichita Falls; two cousins, Mrs. O. G. Steen and Mrs. Leigh Bull of Canyon.

Dr. Roy L. Johnson In "Who's Who"

Dr. Roy L. Johnson, pastor of the First Baptist Church in Canyon, whose name has been in two editions of "Who's Who in the Clergy," has been invited to submit a sketch for inclusion in "Who's Who in the Western Hemisphere" which is now being published in New York.

Mrs. G. Henry Meyer of Hubbard, Nebraska, arrived Friday for a ten-day visit with her parents, Mr. and Mrs. John E. Albers and other relatives.

Ask For More Grain Sorghum

24 Men Taken by Army and Navy at Induction Station

Of the 25 men who took physical examinations at Lubbock Friday only one was rejected. This is the best record that has yet been made by so large a group going from Randall county.

Eugene Lloyd Lippard was rejected.

Charles Robert Buell went on to Fort Sill, not asking for the usual week's furlough.

Assigned to the navy and ordered to report in Lubbock today were: Felix Arthur Pierce, Joe (Jack) Wilson Brian, William Keith Carlson, Merle Wayde Pruitt, Hugh Gwendell Duncan.

Leaving Friday for Fort Sill will be the following 17 men: Ralph Earl Blankenship, John Ed Carthel, James Dale Brock, Robert Louis Alexander, Wilburn Wesson Anderson.

Horace Newton Dickson, James Alfred Johnson, L. J. Turney, Vaughn Aaron Vandergriff, Holland Leroy Fleming, Jimmie Otis Priest, Billy Brice Kimble, Paul Nickelson.

Wallace Hollis, Jr., James Harvey Thomas, Buford Allison Cummins, William Arthur Nickelson.

To report at Fort Sill March 5 will be Roland Bert Hicks, Jr. He was given more time because of the illness of his mother.

Men going to Fort Sill will leave at 9:30 in the morning, going by way of Amarillo, instead of Plainview as in the past.

Wayne Coy Talbert failed to receive his notice of induction in time to go Thursday afternoon and will report at a later date.

Mrs. Julia Gano Died Saturday at Roffey Home Here

Mrs. Julia Gano, 74, died Saturday morning at the home of her niece, Mrs. Ella Roffey. She had lived here for five years, and had been an invalid for the past four years.

The body was taken to Tekamah, Neb., for interment. The funeral was held Monday.

Another niece, Mrs. Margaret Pope, lives at Henderson, Ill., and an uncle, Roy Rhodes, at Kellogg, Iowa.

Mrs. Roffey accompanied the body and will visit in Illinois for two or three weeks before returning home.

Application For State Jobs May Be Made Now

Applications may be made for positions as accounting clerks, stenographers and equipment operators under the Merit System Council of Texas on or before March 11. Dr. Lee L. Johnson has been appointed to take such applications.

Examinations will be given on March 27.

Dr. Johnson has full information regarding these positions.

LT. BRIGHT TRANSFERRED

Lt. Weldon Bright has been transferred from Fort Sill to Pennsylvania.

Pvt. Eugene Newberry has been transferred from Fort Sill to Washington, D. C. He is in the Signal Corps.

Mrs. Geanie Chaptman of Pampa visited with Mrs. Tommie Overton over the week-end.

Pvt. Melvin Leavitt was home for the week end from the Flying Field at Dalhart.

Ration Book No. 2 Is Now Being Issued at Schools Over County

Citizens Are Warned Not to Lose Books—Cafes and Hotels Register Next Week

Randall county citizens are signing up today for Ration Book No. 2. Citizens may go to the Canyon public schools, the West Texas State demonstration school, to the Umbarger school, or to the Alice Landegrin school in south Amarillo. Those living near the county's boundary may go to Happy, Wildorado, or any of the Amarillo schools.

The point system will start next Monday. About 200 items of canned and dried foods were frozen Saturday night at 12 o'clock, and are not on sale this week.

Grocers report that Saturday was the largest day in the history of the grocery business in Canyon. People stocked up on canned goods to carry them through the week. Perhaps there has been cases of hoarding, but generally the sales were for the purpose of carrying families through the week.

A chart in this issue of The News shows the point value of the various kinds of foods. This chart comes from OPA, and should be saved by every household in order that they may know the point value of the various foods.

Cafes, hotels and other institutional eating places will register March 1-10. All were given report blanks in December and their food allowance will be based upon the consumption of December.

Citizens who have not registered should use the declaration blank which was used in all newspapers. There are not enough blanks available in Randall county for each person.

T. S. Stevenson, clerk of the local board, advises all citizens to carefully guard their ration books. A number of people have lost their books and it is getting harder and harder to secure replacements for them.

Recaps May Be Received Mar. 1 No Certificate

OPA formally has announced that rationing restrictions have been removed on recapping of passenger car and light truck tires with reclaimed rubber.

The action means that motorists will be able to get their tires recapped without applying to local rationing boards for certificates. Officials stress that the order in no way relaxes the need for continued rubber conservation through gasoline rationing, the 35-mile-an-hour speed limit and tire inspection.

Mrs. Sarah Rockwell Died at Houston

C. R. Burrow has received word of the death of Mrs. Sarah W. Rockwell at her home in Houston.

She was the widow of the late J. M. Rockwell for whom Mr. Burrow worked for many years while the Rockwell Bros. owned the lumber yard in Canyon.

BILL STERNENBERG PROMOTED

William Sternenberg has been promoted for Corporal to Staff Sergeant. He is in Camp Stewart, Ga.

Alfred Bellah was confined to his home several days this week because of throat trouble.

Mr. and Mrs. E. I. Boyce visited with Mr. and Mrs. K. K. Boyce of Lelia Lake over the week-end.

First Publisher of News Died at Corpus Christi

Robert W. Morgan, 84, died Thursday at his home in Corpus Christi.

Mr. Morgan and his wife started The Stayer, which is now the Canyon News. The paper was started in 1896, and published for five years by the Morgans. The family left in 1902, and so far as known, Mr. Morgan had never returned to Canyon. Before her death in 1922, Mrs. Morgan visited in Canyon several times.

Mr. Morgan had a printing business in Houston for 15 years before going to Corpus Christi two years ago to make his home.

Surviving are two sons: R. L. Morgan of Houston and Frank P. Morgan of Fullerton, Calif.; a daughter, Mrs. H. P. Mathieu of Corpus Christi; one brother, Forest Morgan of Austin.

Mr. Morgan is remembered by all of the pioneers of Randall county. The Stayer was started in a tent just across the street south from the site of the hospital. Mrs. Morgan was editor of the newspaper and Mr. Morgan did the printing. He was a lawyer, and was elected County Attorney after the county was organized. The Morgans later moved the plant to a frame building west of the site of the Palace Hotel. The paper was then bought by the late George A. Brandon.

Survey on Farm Products Made

Need For More Feed In County Is Seen to Balance Livestock Needs

Acreage goals for Randall County's share of the 1943 food production program have been received in the county office and are being studied by the Farm Program committeemen before starting the work of breaking down the county quotas to individual farms.

The principal war crop goal for Randall county is expressed in acreage is the one for grain sorghums. The county is asked to plant 60,219 acres this spring. This is more than has been grown annually for the past few years but is not more than a normal acreage. This acreage is about one-fifth of the total cropland of the county. About one-half is now seeded to wheat. If the grain sorghum goal is fully met there will still be about 30% of the land left for sweet sorghum, sudan and other crops.

Other production goals for the county are soy beans, 200 acres; total beef cattle 100% of 1942 production; dairy products 122%; eggs 109%; hogs 119%; chicqens for meat 119% and turkeys 119%.

Plans are being made for incentive payments to farmers who plant more than 90% of their grain sorghum goal. This payment, if made, will help to prevent a feed shortage next winter for the increased livestock and poultry.

All of the emphasis in the 1943 program is placed on increased production. There is no requirement for diverted acreage. Every acre is supposed to be used for some crop for harvest, for pasture or for summer fallow to conserve moisture for a succeeding crop. The work of assigning grain sorghum goals to individual farms will start Monday, March 8, when farmers start signing farm plan sheets for 1943.

A schedule of sign up dates by communities will be announced next week.

The plan sheets will be used as a basis for classification of manpower needs for each farm; the estimating of machinery and equipment needs for each farm as a basis for rationing farm equipment; for estimating the probable food production for 1943 and for the establishing of grain sorghum goals for incentive payments.

Major A. Donnell Visited Parents Here Last Week

Major and Mrs. Alton P. Donnell left Friday by plane after a 10-days visit at the parental L. A. Donnell home. They stopped for a day in Kansas City to visit with Lieut. and Mrs. H. C. Brewster. Mrs. Brewster is a sister of Major Donnell, the former Kate Donnell.

Major Donnell is with the North Atlantic Division of Engineers in New York City. For the past 18 months he has been on construction work in Greenland. He was promoted to Major when he returned to the States. A graduate from the Military Academy of West Point three years ago, he is one of the youngest Majors in the army. He has not yet received his next assignment.

Red Cross Robes To Be Shipped Friday

Mrs. Bessie Melton is requesting that all women who have robes checked out of the Red Cross room to return them by three o'clock Friday afternoon so that the shipment may be made that day.

These robes are a rush order from Camp Wolters. The local chapter was given two weeks in which to finish them.

Women who have girls' blouses out are asked to finish them as soon as possible so that this shipment may go out.

STORK SPECIAL

A daughter, Cecelia Joyce, was born to Mr. and Mrs. Herbert Gaines in Amarillo. She was the former Miss Letha McDougal.

A son, Sherman Robert, Jr. was born to Lieut. and Mrs. Sherman R. Higdon. Lieut. Higdon is an instructor in the Air School at San Angelo.

A daughter was born to Mr. and Mrs. B. W. Barker at an Amarillo hospital.

JENNINGS DISCHARGED

Floyd Jennings was discharged Friday from the army. He has been in the camp at Dalhart. He is above 38 years of age, and left Saturday for a ranch job in Wyoming.

Mrs. Weldon McKinney and son are visiting with Mr. and Mrs. B. B. Cluck.

Don't Rush Garden Planting

* * * * * * * * * *

A few blue birds and a few warm days give most folk the urge to plant gardens. This garden planting will be more important this year on account of points and coupons and such. The amount of food that can be produced on a back yard garden can be made to add considerable to the food supply if the job is taken seriously. Since so many are planning gardens this year who have not been regularly engaged in back yard farming a little discussion of "do's and don'ts" might be in order.

Many town gardeners undertake to farm too much ground. A few square yards of good soil, well tended and watered, is worth more than a whole back yard planted and neglected. Others get the fever several weeks before the soil is warm enough to be safe for planting and after losing the earliest plants in a freeze about April 1st they get discouraged and then when the proper time for planting comes along they have lost interest in the whole enterprise. This is an important item in 1943 for several reasons. Not the least of these reasons is the need to conserve seed. There should be no garden seed wasted this year since a much larger supply will be needed this year than ever before. The first 30 days of the garden fever should be worked off by working the soil and making ready a small plot of ground by spading, fertilizing and watering. Then along about the end of March, if the garden fever still persists, planting may be started with a good chance that some food will be produced.

In making ready the garden plot a few chickens are a great help in cleaning out the cut worms provided you dig them up and also provided you make arrangements to keep the chickens out after planting starts. If the chickens belong to your neighbor remember there is no coupon in your ration book for chicken stew.

A little pamphlet entitled "Victory Gardens" may be had at the County Agent's office.

B and C Holders Must Have Tires Checked Feb. 28

Holders of B and C gasoline cards, and all commercial vehicle owners must have their tires checked by February 28.

Holders of A cards have until March 31 in which to have this testing done.

Mr. and Mrs. Ruel Nichols of Clarendon, visited with Mr. and Mrs. H. M. Parker over the week end.

"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation indivisible, with liberty and justice for all."

MORE PATRIOTISM NEEDED

One of the most stirring patriotic addresses we have ever heard was delivered last week by Col. Carlos P. Romulo, "the last officer out of the Philippines." He is a native of the islands, and has served with distinction in the American Army. He is a thorough patriot, and dearly loves the flag which he is fighting to defend.

His description of the horrors through which our men went before they were taken by the Japs was enough to stir any American citizen. The Colonel is an orator and knows how to play upon the heart-strings of his audience.

His plea for more patriotism in this nation did not fall upon deaf ears. Perhaps there are millions of Americans who think they are doing all that they can do. But millions of people carried away away canned foods last week, which they will not report this week in the ration program.

Most of us feel that we are doing our part by buying War Bonds. But the boys who fell to the Japs gave their all, and today would like to have a little of the food which has been hoarded by so-called patriotic Americans.

Some of us think that we are having to work hard, and would like to get a soldier discharged to help us out. But we have not stood on the firing line for 24 hours per day, eating a mere handful of rice as our daily portion.

Some of us would like to buy the kind of clothes we have been accustomed to in the past. But the boys in the Philippines were in rags, and wallowed in the shell holes as their friendly shelter from enemy fire.

Some of us think that 40 hours per week is a man's job in the war program. But the boys on the firing line received no pay and a half for 10 or 15 hours per day overtime which they put in.

Some of us are disgruntled because we cannot buy shoes when we like. Most of our men had no shoes to protect their feet.

We grumble because we are limited to a cup or two of coffee per day. Our men fought on Bataan without coffee, tobacco, or even a decent meal.

Colonel Romula is right about our need of more patriotism. Silly sentiment under the guise of patriotism will not win the war, but patriotism which leads Americans to put their full strength behind the war effort is needed by every one of us.

THE WAR AND POLITICS

It must be taken for granted that every American wants to win the war; win it as quickly as possible; with as little loss of life, and waste of money as possible.

Honest and patriotic citizens have felt it their duty to protest against governmental rule and regulations which they considered unjust and were unnecessary in winning the war. Perhaps there has been too much criticism from people who did not know their facts. There are, perchance, many Americans who are profiting from the war; who are not hurt by the war efforts; who care nothing about when the war ends. We must believe that this represents a very small minority of the nation.

For months after the war started, there was most unusual harmony. The former isolationists had their lips sealed. The nation threw its entire force into the war efforts. Congress was charged with being a rubber stamp, and resented the charge.

Bureaus sprang up, and Congress was not consulted, the people were placed under regulations which many did not like.

Then came the election of last November when the Democrats nearly lost control of the House, and gained considerable strength in the Senate. This offered the opportunity for which the isolationists, American First, and other critics of the administration had been waiting. Under this guise of patriotism, the critics turned loose on the administration, and nearly wrest control of Congress away from the Democratic party.

The situation goes on, getting worse by the week. Congressmen are declaring a sit-down strike on the administration. On bills which the isolationist do not want to make a stand because of party affiliation, members simply stay away, or do not vote. This is a simple way in which to defeat the President on war measures.

Politics is getting so badly mixed up with the war that our nation's interests are liable to suffer very greatly.

These are hectic times. All of our citizens are having a rather tough time—so we think. All of us are having to work harder, or at least we should be working harder, than we ever have before in our lives. Business men have less to sell than ever before, and some buyers are want to complain that they cannot get what they want, when they want it—regardless of needs. But there is a lesson for all of us to learn. "Have you seen that guy smile since the war started," is asked about many business men, who cannot smile. This is the time when any man who is able to stay in business should smile, even if he has less and less to sell, and is harassed more and more by government reports, and regulations. Smile—the war will not last forever, and the fellow who can smile in the face of depressing conditions is the one who will have something to smile about after the war is over.

The isolationists in Congress—too many in numbers—are now saying that it is premature to talk about peace terms. That is just what we did in 1918. We waited until Germany had enough of the war, and then America said, "To hell with this mess; we're going home." A policy of putting off peace terms talk until the enemy is whipped would place us in the same ridiculous position we were in 1918-19 when the nation refused to establish a police power sufficiently large to keep the war lords of Germany in check.

Jimmie Allred is in the picture again. When he resigned from the federal court to run against W. Lee O'Daniel it was freely predicted that if defeated, the President would take care of Jimmie. O'Daniel saved his own political scalp by promising support to the President. Since re-election, the Junior Senator continues sniping at the President. Now a political plum has been tossed to Jimmie—just as everyone expected it would be. He is offered a better job than he formerly held. O'Daniel is on the war path. He is under no restraint now, with almost six years to serve in the Senate. He has declared war on Jimmie, and the fur will fly when Jimmie comes up for confirmation.

Madame Chiang Kai-sheck is the greatest ambassador who has ever come to America. In her role as an unofficial diplomat she has made a wonderful impression. Congress was impressed with the gifted little woman, until she suggested that we think in terms of a permanent peace, with a sufficient police force to make peace certain. Here the Congressmen remained silent—with the exception of a few Democrats who are willing to look down thru the years and make plans now to forestall another war.

Bad news comes from Africa. The Germans have been pounding our troops, realizing that green troops are often easily scared. War Department releases try to minimize teh losses of American troops. However, the death of any of our soldiers is bad news. Things have gone too well with our army in Africa. No doubt we have extended our lines too rapidly, and again it was a question of too little, too late.

The drive for Red Cross War Funds will start throughout the nation next week. In World War I, Randall county raised $15,000 in one drive for the Red Cross. We are asked to contribute only $2,600 this year. Randall county has many more people and much more wealth today than there was in 1918 when the big drive was made. Let's all make our donation to the War Fund according to the plan recently worked out by the Randall County Red Cross Chapter.

The President has made it clear that he wants a big army, about 11 million men. The manpower struggle will continue until some sort of definite policy is adopted. This war is altogether different than any previous war. In 1917-18 men were rushed to the trenches hardly knowing how to load a gun. With our mechanized war, it takes months to train men for this new type of warfare.

Says William Green: "You cannot stabilize wages until you stabilize the cost of living." In other words, after the unionists receive raises which the leaders are asking, then the cost of living would be stabilized at the same costs as they are today. It just simply cannot be done—and Green should know better than to make such an assertion.

OPA has announced that there will be no rationing of clothes. The same thing was said about shoes, but shoe rationing came without warning. The same policy should have been adopted regarding food rationing. As it is there has been altogether too much hoarding, as every grocery store in the land knows.

It is hard for Americans to understand Gandhi. He does not believe in violence, but his self-imposed marytrdom would certainly lead to violence. The fall of India, without violence, would certainly lead to the worst slavery that India has ever experienced, under the heel of Japan.

Congress is trying to run the war. Bills are being introduced to handicap the armed forces, and to discharge a million or more men. A war can only be won under a central authority, and Congress should know this.

Chinese Leader in Appearance Here Pleases Students

Madame Tsui Chen Kuan spent four days on the campus of W. T. under the auspices of the Student Christian Association. A full program, including dinners at various halls, round-table discussions, formal and informal talks, was arranged for her, and she met every group on her schedule with the vivacity and charm characteristics of her cheerful personality.

The great Chinese lady has been in America a year and a half on a fellowship. Her plan was to return in June, but because of the war she has been obliged to extend her visit and her work with the Student Volunteer Movement.

She emphasized that the only difference between Americans and Chinese is cultural, and insists that spiritually the two nations are basically the same and that they have the same goals to attain through the present war.

"Your responsibility as Americans is great," explained Madame Kuan, "because we are looking to you for aid and for spiritual leadership."

Mrs. B. B. Cluck left for Austin last week to visit her mother, Mrs. B. P. Sherman, who is ill.

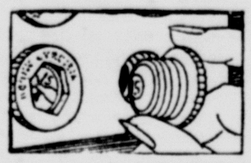
Gerald Terry visited Mr. and Mrs. O. R. Terry of Plainview.

Thanks,

Folks!

For several weeks we've been asking your help in reducing *fuse* service calls and appliance trouble trips. You are helping . . . recent reports show a substantial reduction in service calls of this nature. By replacing your own fuses and double-checking your appliances, you are helping conserve tires, gasoline and manpower so urgently needed to win the war.

So again, "Thanks, folks," to all of you who have responded to this wartime request!



KEEP EXTRA FUSES HANDY

Come in, the next time you're down town. Let us help you make sure you have the right size fuses. We'll gladly show you how to replace "blown" fuses, too.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Miss Kate Donnell is Bride of Lieut. Howard C. Brewster

LIEUT. AND MRS. HOWARD C. BREWSTER

In a single ring ceremony performed at twilight Saturday, Feb. 6th, Miss Kate Donnell, daughter of Mr. and Mrs. L. A. Donnell of Canyon, became the bride of Lieut. Howard C. Brewster of Ruston, La. The marriage vows were read in the manse of the First Presbyterian Church of Warrensburg, Missouri, by the pastor Rev. J. C. Hollyman.

The couple was attended by Lieut. and Mrs. Jack Roth, formerly of Dalhart but now of Warrensburg. Mrs. Roth was attired in a tailored suit. Her corsage was of roses.

The bride wore a white wool suit, a close fitting white hat, with red accessories. Her corsage was of American Beauty rosebuds.

Mrs. Brewster, a member of one of the Panhandle pioneer families, was reared in Canyon. She was graduated from Canyon High School in 1937 and received her degree from West Texas State College in 1941. While in high school she was chosen Sweetheart of the Canyon FAA chapter. She was elected queen to represent Randall county at the Plainview Dairy Show in 1938. In 1941, she was elected Personality Queen of the college. The following fall at the annual Homecoming she was chosen Homecoming Queen. She is a member of Delta Zeta Chi sorority, Kappa Omicron Phi, and Beta Sigma Phi. For the past year she has been teaching home economics in the Dalhart High School.

Lieut. Brewster was graduated from Ruston High School and received his degree from Louisiana Technical College. He was presented his wings last November and is stationed at Sedalia Army Field.

The couple is at home at 444 E. Gay St., Warrensburg, Missouri.

DR. MOORE TO BE GUEST SPEAKER OF A. A. U. W.

Members of the local branch of the American Association of University Women will meet for a dinner program in the Home Economics dining room at the college, Wednesday evening, March 17, at 8 o'clock. Plates will be seventy cents, and reservations may be made with Mrs. Lee Johnson not later than Tuesday, March 16.

Guest speaker for the evening will be Dr. Bernice Moore of the Hogg Foundation. Her topic will deal with women's place in the world of tomorrow. The occasion will be formal.

No study meeting for the various groups in the organization will be held in March.

Mrs. Tommie Overton was high score winner with Mrs. T. A. Black traveling winner and Mrs. T. C. Thompson low score winner.

Cherry pie with whipped cream topped with tiny flags, mints and coffee were served to Mrs. Black, Mrs. C. R. Flesher, Mrs. K. E. Frieze, Mrs. Overton, Mrs. Bob Parsons, Mrs. T. C. Thompson, Mrs. Clyde McElroy, Mrs. R. O. Moore, Mrs. Claude Moore, Miss Frances Wilroy, Miss Rhita Jean Sullivan, and Miss Oma Robinson.

MRS. SHARPES HAS CENTERVIEW CLUB

Mrs. S. F. Sharpes entertained the Centerview Club Friday, Feb. 19 at 3 o'clock.

Mrs. E. W. Schaeffer gave a report given in the Texas Farm magazine on the importance of home demonstration work and the importance of gardens, preserving and canning. Mrs. Dellas Zachry was voted the delegate to the district meeting.

Visitors were Mrs. Charley Davis, Mrs. C. M. Rogers, Mrs. Woodrow Wesley. Members answered the roll call by giving first aid precautions.

The next meeting will be March 5th at the home of Mrs. J. W. Wesley.

Play Production Class Is Directing School's Project

"New Fires," which is to be produced by the junior class of the Demonstration School on March 12, is being prepared the hard way. Students of the play production class are accepting the responsibility of the direction, staging, and business management.

The directors—Dorothea Prichard, Beth McCaslin, Vivian Earl Davidson, Zola Mae Thomas, and Bernadine Phillips—are pacing the floor at night trying to find new and better ways of helping Stephen, who is played by Willard Spiser, to convince his family that city life is not "so hot."

Patience is the keynote of the whole thing—especially when part of the cast shows up late for practice and then gets behind the stage to make unnecessary noises, not to mention flashing the lights all during the rehearsal.

It is the job of Dottie Dell Quickel, Mescal Turner, Elnora Russell, Patsy Gutshall, and Thelma Franz to stage the play. They have decided that their math courses have not been too beneficial. Having made three unsuccessful attempts to draw a satisfactory floor plan to scale, they are still striving to produce one that will be acceptable.

The job of getting the story to the public and of conveying how good the play will really be falls upon Mrs. Mary Ruff, Byron Campbell, Lora Frances Jones, Lavenia Davis, and Katy Apple.

Miss Margaret Cooper and Lieut. Robert J. Hibbetts Marry

MRS. ROBERT J. HIBBETTS

In a single ring wedding solemnized at 10 o'clock, February 14, Miss Margaret Cooper of Amarillo became the bride of Lieut. Robert J. Hibbetts of Waco. Miss Cooper is a daughter of Mr. and Mrs. Clyde L. Cooper of Tulia and Lieut. Hibbetts is a son of Mr. and Mrs. D. R. Hibbetts of Normangee.

Rev. C. C. Armstrong, pastor of the Methodist Church in Canyon, read the nuptial vows as the couple stood before a lattice arch covered with huckleberry and fern, interspersed with white gladioli. On either side of the arch were white stands holding crystal bowls of white gladioli and fern. Pews were marked with white satin bows.

Pre-Nuptial Music

Pre-nuptial music was provided by H. M. Baggarly, organist. Miss Norris Louise King of Amarillo played a violin solo, "O Promise Me" by DeKoven. During the ceremony, Miss King and Mr. Baggarly played "I Love You Truly." The traditional wedding marches were used.

Attending the bride was her sister, Mrs. Robert L. Noble, who wore a gown of aqua slipper satin and carried a bouquet of talisman roses.

The flower girl was Frances Brooks, small daughter of Mr. and Mrs. Robert Brooks of Tulia. She wore a white chiffon dress and an arm band of white carnations.

Capt. Ben M. Davis of Amarillo served the bridegroom as best man. Ushers were M. E. Cantrell and Boone McClure, both of Canyon.

Skirt of Illusion

The bride was given in marriage by her father. The bridal illusion skirt of her gown was gathered onto a torso bodice of Chantilly lace made with sweetheart neckline and long fitted sleeves that came to a point just below the wrists. Her fingertip-length veil of illusion was held in place with a flared tiarra trimmed in seed pearls. For "something old" she carried a handmade handkerchief, a family heirloom. "Something borrowed" was an imported bracelet. Her bouquet was of Johanna Hill Roses.

Mrs. Cooper, mother of the bride, wore a navy blue dress with matching accessories. Her corsage was of gardenias.

Approximately 20 guests from Canyon attended the reception which was held at the home of the bride's parents. The white wedding ring cake, centered with white sweet peas, was cut by the bride and bridegroom and was served by the matron of honor. Coffee was poured by Mrs. W. H. Edmondson and Miss Mary Ollie Persons, both of Amarillo. Assisting were Mesdames Foster Klous, J. W. Keim and W. E. McGhee of Childress.

Leave On Trip

Following the reception the couple left on a brief wedding trip. For traveling, the bride selected a tailored suit of black twill with black patent accessories, black straw hat and white gloves. Her top coat was black and white novelty weave and she wore a corsage of Johanna Hill roses.

Mrs. Hibbetts received her B. S. degree from West Texas State College and did graduate work there and at the University of Colorado in Boulder. At the time of her marriage she was employed by the Amarillo public school system.

Lieut. Hibbetts received his Master's degree from the University of Texas. He is a certified public accountant and before entering military service, he was an instructor in the Business Administration Department at WTSC. At present he is an instructor in the ground school at the Blackland Army Flying School, Waco.

The couple is at home at 1525 Barnard Street, Waco.

PARK H. D. CLUB MET WITH MRS. WINEINGER

The Park Home Demonstration Club met Thursday at 2:30 at Mrs. Charley Wineinger's home.

A round table discussion on first aid was held and interesting points on external bleeding were also discussed. Severe bleeding must be checked as soon as possible to prevent death. When blood flows in spurts an artery is cut, when it flows in a stream, a vein has been cut. Several ways to check bleeding were also discussed.

Those present were: Mrs. Bryan McHahan, Mrs. E. E. Adams, Mrs. Oral Wineinger, visitors; Mrs. John Gibbs, a new member, Mrs. G. A. Collings, Mrs. Herrick Simon, Mrs. Ray Bennett, Mrs. W. E. Bennett, Mrs. Frank Simon, Mrs. J. V. Williams, Mrs. Charley Wineinger, Mrs. J. E. Park, Mrs. Mary Simon, Mrs. Walter Simon, Mrs. Charles Thurmon, Mrs. James E. Park and Mrs. A. L. Burhes, members.

Harold Lewis of Fort Sill, Okla., visited from Wednesday to Friday with his wife.

There will be a program of interest to all.

HIGHLAND H. D. CLUB MEETS WITH MRS. BAKER

Mrs. Jack Baker entertained the members of the Highland Home Demonstration Club Tuesday, February 16.

Miss Frances Wilroy gave a demonstration on mending and darning. The purpose of the demonstration was to show how to conserve time and materials. In order to conserve time, we need work baskets filled with an assembly of the necessary articles to be used in mending and darning.

Needles, pins, pin cushions, scissors, thimbles, buttons and a variety of threads will aid all the Home Demonstrations Clubs in their intention of conserving clothes and household articles.

Refreshments of sandwiches, pickles, applesauce cake and coffee were served to: Mrs. Ed Sharp, Mrs. George Cook, Mrs. C. H. Roark, Mrs. Tom Boling, Mrs. Pearl Nesselroad, Mrs. R. E. Sweet, Mrs. L. E. Mason, Miss Wilroy and Mrs. Baker.

Mrs. Sharp will be hostess on Tuesday, March 2.

MRS. McCREREY HAS ROSE WALKER CIRCLE

The Rose Walker Circle was entertained by Mrs. J. W. McCrerey at her home February 23. Quilting was the diversion for the afternoon.

The regular Bible study was held. Prayer was given by Mrs. Jessie Reid. Devotional was given by Mrs. Minnie Laughery.

A covered dish luncheon was served to Mrs. W. S. Christian, visitor; Mrs. W. A. Black, Mrs. J. C. Dowd, Mrs. I. M. Steen, Mrs. E. B. Anthony, Mrs. J. D. Key, Mrs. G. B. Combs, Mrs. R. E. Only Three States Not Represented in Museum Registration

Forty-five of the 48 states have been represented in registration at the Panhandle-Plains Museum during the first six weeks of this year. The three that have not furnished visitors are Mississippi, Wyoming, and Utah.

Some of the recent contributions to the museum are:

Wild buffalo horns and mountain goat horns, contributed by Reverend Neal, of Amarillo. He is a former pastor of the Methodist Church of Canyon.

J. Williams, student at W. T., presented a gold Elgin watch.

Leslie Curb, who has just gone to the Army, donated some legal papers and instruments dating back 50 and 60 years.

Dr. Lee Johnson, head of the department of Business Administration, contributed a copy of the dissertation for his Ph. D. degree.

Two saddles and two saddle trees were contributed by J. Evetts Haley, who is now ranching on the north bank of the Canadian River. One saddle and one saddle tree were of the old Mexican type and the others were of the American Army type.

A camel pottery statue, approximately 1,000 years old, which was dug from a grave in China, and some embroidery work also several hundred years old, have been added to the Hamlin collection.

Gerald Terry, student at W. T., presented the museum an American gas mask used in the first World War and a Prussian dress parade helmet, brought back by his father from World War I.

Mrs. Hilda Brown of Amarillo visited Dr. and Mrs. M. A. Biggers Sunday.

Miss Nell Stevenson of Amarillo visited Mr. and Mrs. T. S. Stevenson over the week end.

Miss Oma Robertson visited Mrs. A. C. White of Lubbock over the week end.

Mr. and Mrs. Elmer Starr of Hobbs, N. M., visited over the week end with Mr. and Mrs. T. A. Black.

The last official estimate placed flax seed production of Canada at 15,000,000 bushels, or 2,000,000 less than earlier estimates.

Hill Talks on Post-War Life

Education Certain to Reflect New Conditions, President Tells Group

Envisioning a post-war world far different from the present one, Dr. J. A. Hill, president of West Texas State College, discussed the redirection of teaching such a new world will demand from education when he spoke to the general faculty meeting of Amarillo city schools Saturday.

After his introduction by Supt. Chas. M. Rogers, Dr. Hill began by saying that educators must face the problem of teaching American citizenry to fit a world changed by the effects of universal air transportation and the introduction of many inventions.

Authorities now predict a shift in industrial and population centers from the seacoast to inland points because of the increasing importance of polar routes of travel for new airlines. Singapore, Panama and other great waterways will no longer be of such importance as in the past. Also, this new air travel will change the direction of economic expansion from east-to-west to north-to-south.

"What kind of world will we have to provide citizens for?" he asked. "We must know that before we can plan our education.

"The public gets the kind of schools it demands. Whatever virtues the school system has, the public has created. So, too, whatever defects it has, the public attitude has caused.

"Languages, geography, history of the peoples of the world, and an intimate knowledge of the cultural backgrounds of other nations must be included in this new education," he continued.

Respect for authority and for law and government must be emphasized in the coming generation.

"Tomorrow's education must provide two things," he concluded, "a better informed citizenry and a more active means for better character building towards a deeper spiritual feeling."

R. G. Boger spoke about summer plans of Amarillo Center of West Texas State College.

In the business session of the Potter County unit of the Texas State Teachers Association which followed, President A. B. Hays conducted the election of members of the House of delegates. Those elected were Mrs. Mary Ruth Pittman, A. B. Hays, Dorinda Bond, Wayne Middleton, Ouida O'Neal, Marilee Lowe, Loula Grace Erdman, Martha Strain, Ione Read, Ruby Bennett, Mrs. Byrd Fahrner, Mae Simmons, and Mrs. G. C. Sparks.

Bob and Victor Steen and families of Amarillo spent Sunday at the parental I. M. Steen home.

Elvert Laughery of Borger visited Mrs. Bernice Laughery over the week-end.

Can You Beat It?

A young girl on the farm desired to marry a young man to whom the father of the girl found objections, principally because the young man was not prepared to support a wife.

"Why, father," said the young thing, "you don't understand our plans. Jack's aunt has promised to give us a hen as a wedding present. Now, a hen will hatch 20 chickens in a year. The second year these 20 chickens will amount to 400 chickens; the third year there will be 8,000; the fourth year 160,000 and the fifth year 3,200,000. At 25 cents a chicken we will have $200,000 at the end of the fifth year, and we'll pay off the mortgage on your farm, move to town and live happily ever after."

By BOONE McCLURE

The position of the Panhandle-Plains Museum in the museum world is unique in that the material contained therein, as well as the building itself, is the result of the efforts of the people who made the history to preserve that record for posterity in its true and complete form. The library in the museum perhaps most perfectly reflects that high ideal and splendid endeavor.

One of the most valuable parts of the Museum Library is the collection of interviews, largely secured by Dr. L. F. Sheffy through his personal contacts and through his teaching of the history of the Great Plains. This collection includes more than five thousand interviews with the pioneer plainsmen and plainswomen. These represent 5,000 first-hand accounts, 5,000 eye-witness descriptions of the historical events and episodes in the wresting of this empire from an Indian-infested wilderness once recognized throughout the world as a portion of the Great American Desert. Since so small a portion of those interested in the museum ever avail themselves of the material included in the library, this column has been originated for the purpose of conveying in brief form some of the more interesting and and unusual accounts that have been told by the pioneers of the Plains. The material is presented as a courtesy of the Museum Staff, and it is hoped that this column will cause those pioneers who have not recorded their experiences to send in such accounts as they wish to make concerning their experiences and observations.

The technical work of releasing the material to those papers who publish the column will be handled by Olin E. Hinkle, director of journalism at West Texas State College.

Since these are first-hand accounts, many of them dimmed by years that have passed since the events took place, there may occasionally be items presented that to some may seem inaccurate. Such corrections as readers may wish to offer will be welcomed, and if any material presented offends anyone in any way, immediate correction and apology will be made. Certainly it is not the intent of the Museum to misrepresent anything or to offend anyone. But so those about us may enjoy the rich heritage that is ours, this column is dedicated to those who pioneered the Great Plains Region of Texas.

Plains Teachers To Meet Soon

Registration Clerk Asks For Lists of Persons Who Will Attend

Plans for the registration of persons attending the annual Northwest Texas Conference for Education are being completed by Miss Icie B. Johnson of Amarillo, registrar. The big meeting will be held in Amarillo on March 19.

In order that registration badges may be made out in advance, Miss Johnson is asking that superintendents send her lists of teachers who will attend the meeting. Teachers will be admitted to various programs by badge only, Miss Johnson pointed out.

Program arrangements are being made by Dr. A. M. Meyer, president of the Conference. The meeting has been limited to a single day because of wartime conditions.

West Texas State will dismiss classes on Friday, March 19, in order that members of the instructional staff may attend the Amarillo sessions.

The conference in its business phases is District 9 of the Texas State Teachers Association. F. L. Moffett, president of the state association, will be among the general session speakers this year.

One of the main speakers this year will be Dean L. A. Pechstein of Teachers College, University of Cincinnati. At 11 o'clock, March 19, he will speak on "Youth and the Future," and at 2 p. m. on "How Parents and Teachers Irritate Children."

Dr. Pechstein is one of America's most distinguished psychologists and educators. He is a native of Missouri, where he attended the University of Missouri before going to the University of Chicago and other institutions. Many of his experiments have been in the field of military psychology. He is a member of the National Committee on Education and Defense and vice-president of the American Council on Education.

Buffs Co-Champs With Arizona

Lost Last Game in the Border Conference at Albuquerque Saturday

West Texas State's Buffaloes are co-champions of the Border Intercollegiate Athletic Conference in basketball for 1943. They divided the title this season with Arizona's Wildcats, who defeated them in the final game at Albuquerque, N. M. on Saturday night, 47 to 39.

The Buffs lost only to Arizona, while the latter dropped a game to Texas Tech. Coach Gus Miller's men beat Tech for the fifth time this season during the tournament. Other victims of the locals were Arizona State of Flagstaff and Texas Mines. Mines in turn won over Tech to take third place, while the Red Raiders placed fourth. Arizona State of Tempe was fifth and New Mexico came out sixth.

Clark Johnson, W. T. center, was placed on the All-Conference first team, along with Lee Floyd of Texas Mines, Vince Cullen of Arizona, Garland Head of Texas Tech, and Stan Frogge of New Mexico. Ledru Jacobs made the second team and Charles Johnson received honorable mention.

The first half of the final game showed the Buffs to be the "coldest" club within the memory of their followers. They managed to rack up only ten points in the first period, while Arizona was amassing 26. They came back strong in the second half but could not rub out the 16-point deficit.

No More Intercollegiate Games For the Duration of the War Is Ruled

West Texas State intercollegiate athletics have been discontinued for the duration of the war.

It was apparent several weeks ago that this move would become necessary owing to the large number of athletes who were being inducted into the armed service.

The Buffaloes played their final game for the year at Albuquerque Saturday night. Football will not be resumed until after the war, accorning to a decision reached by the Athletic Committee.

Most of the small colleges of the nation have been forced to abandon athletics.

Here They Are—The Co-Champions of the Border Conference

Pictured above is the basketball squad which started this season at West Texas State. Withdrawals, enlistments, and other causes gradually reduced the squad until only the following participated in the Albuquerque tournament last week: Boyce Box, James Crews, Douglass Groom, Glynn Braden, Cloyce Box, Metz LaFollette, Velton Sorgee, Ledru Jacobs, Charles and Clark Johnson, Eugene Keating, Norman Trimble, and Ralph Davis, student manager. Captain William Stockman was absent by reason of his call to military service. Despite these handicaps, the squad won the co-championship of the Border Conference.

INSTRUCTIONS.—To find the Point Value of an item:

1. Find out the net weight of the contents (from the label, if any).
2. In the line across the top of the chart, showing the weight in ounces and pounds, find the column in which this weight belongs.
3. Find the item in the listing of items in the column to the left.
4. The POINT VALUE of the item appears on the same line as the item and in the column listing the correct weight.

All Point Values must be determined by weights. If no weight is marked on the item, the item must be weighed.

In finding the Point Value of a container where contents are given in *fluid ounces*, consider the fluid ounce to be the same as the *avoirdupois weight ounce*. One pint is one pound; one quart is two pounds.

The Point Value of any item weighing over four (4) pounds shall be arrived at by multiplying the number of pounds of that item by the Point Value per pound of that item as given in the "Per Pound" column. Fractions of a pound should be figured in quarter-pounds. Fractions of a quarter-pound should be figured to the next higher quarter-pound. Thus, an item weighing 4 pounds 9 ounces would be considered as weighing 4 pounds 12 ounces for the purpose of getting the Point Value of the item.

BE PATRIOTIC

All patriotic students, attention! Your Student Congress voted to sponsor a Victory Corps in Canyon High School. They are representing you; therefore it is your responsibility to comply with their decisions.

Until the applications for membership are returned to Miss Rhita Sullivan, home making teaching, active war jobs or further development in our Victory Corps is impossible.

Turn in your blank to any teacher, preferably to Miss Sullivan, and let's put our school in the lead for war production.

STUDENTS COOPERATE

This is a total war; a war "comprising or constituting the whole or entirety!" That means me and you and the rest of Canyon High School. It means planes, tanks, guns, ships, and men to man them; tire rationing; scrap drives; victory gardens; War Bonds and Stamps.

But it means other things even more directly applicable to Canyon High: To fight a total war necessitates each United States citizen's sticking to his post whether it is directly connected with the immediate fighting or not.

Although it may not seem so important, the duty of each and every student in Canyon High is to take his studies seriously, to miss classes as little as possible, and to learn as much as he can to make himself useful during this war and the peace afterward. Intelligent people make an intelligent nation; an intelligent nation can fight an intelligent war and form an intelligent peace.

To take the same old grind every day and actually do one's best at it takes guts. If you can't do it, you are a slacker and a coward; if you can, you are an "American."

Dramatists Join Work and Play

Combining work and play, the Senior play cast, director, and stage managers have attended three after-practice entertainments.

In the home of Mrs. Ed Harrell, Wednesday evening, sandwiches, cookies, and hot tea refreshed the dramatists. Thursday evening, these members journeyed to the Roscoe Davis home for a salad course, consisting of a jelled salad, cheese, smacks, potato chips, and hot tea.

As a complete surprise to all the play cast, Theresa Nell Blewett and Lila Mae Lill brought to practice Monday evening sandwiches, candied cookies, and fruit punch to provide nourishment.

"Aunt Susie Shoots the Works," the mystery-comedy by Fred Caldwell, and this year's choice of a Senior play, is to be presented Thursday evening, March 4, at 8:30 o'clock. Under the supervision and direction of Mrs. Guy B. Tabor, 11 Senior actors and actresses, with three able stage managers are preparing to "shoot the works.

Moans, groans, shrieks, thuds, gunshots, laughs, and continuous vanishment of light highlight this performance. With an eccentric old aunt, a beautiful niece, two blackface characters, a fortune-teller, a fiance, a lawyer, a servant, a charming neighbor, a crook, and a care-for-nothing gentleman to aid the sound effects, some action is bound to occur in Canyon High School that evening.

The patient with stomach trouble was told by his doctor that he had been drinking too much and would have to stop. "But," said the patient, "what shall I tell my wife is wrong with me?"

"Oh," said the doctor after a little thought, "tell her you are suffering from syncopation. That should satisfy her."

The patient did. "What is syncopation?" asked his wife.

"I don't know," he replied, "but that's what the doctor told me."

When her husband was gone, she looked the word up in the dictionary. "Syncopation," it definded: "Irregular movement from bar to bar."

"The boss says that when he was a boy on the farm they had a mule that was just like one of the family."

"Yes, and I know which one."

"Why on earth are those kids wearing such silly clothes?"

When Manus Read Foster wears a dress, Caloyn Black a clown suit, Mollie Nann Ziegler a short party dress, and Ellen Sanders a pair of tennis shorts, something's certain to be happening.

Well, here's the answer—those students were being initiated into the International Honor Society of Quill and Scroll.

Mollie kept busy in the study hall by cutting strips of paper into supposedly one-half inch squares, Manus by reading as a learned professor from an encyclopedia, Ellen by showing her skill in addition during an Algebra class, and Carolyn by crawling down the hall with a stack of books on her back.

In addition to having the privilege of carrying the books of a former pledge and a teacher, the initiates showed their "poetic ability" by saying a favorite nursery rhythm during assembly. Then Mollie Nann, alias "Dimples," won an onion race on her hands and knees.

"Hm! Well, even if I did feel awfully silly, I guess I'll have to admit it was fun," commented one of the tired pledges.

New Seats Help Noise Problems

To provide comfort for pupils studying in the library, the school board and Superintendent J. B. Speer have purchased 30 new chairs to replace old study hall seats.

As the heavy oak chairs are equipped with sound-proof protectors, they will create a quieter atmosphere for students desiring to study.

Blessed is the man who having nothing to say, abstains from giving us wordy evidence of the fact.—George Eliot.

"Have you made friends with your snooty new neighbors yet?"

"No, but I'm making progress. Their cat invited our cat over for a musical last night."

EVEN if your home is outside of the war zone, "mechanized invaders" can still attack it day or night, particularly when you're away.

Christmas Appears In Mid-February

Canyon Grade School marveled. Students in Canyon High stood speechless. Everyone was still as his eyes bulged and his mouth dropped at the sight of a walking Christmas tree slowly moving up the steps to enter the building.

As it paused on the top step and grinned, everyone knew who and what it was, for Louis Hinders, a mid-term graduate and now a West Texas freshman, had come back to his alma mater for a brief visit. His red hair, formerly blonde, commanded immediate attention.

As Louis is a freshman in the agriculture classes at West Texas State, the college farm boys applied red dye to his golden locks to prove it.

When asked if it were "real," Louis replied, "I guess so, since it will have to grow off."

Although everyone was eager to tease Louis, he will always be welcome in Canyon High School whether his hair be red, brown, or cotton white!

Robinson Prepares Volley Ball Girls

Miss Amaryllis Robinson, a new Canyon High School teacher, has started training the school's volley ball team. Miss Robinson, who, until recently, was a student teacher at West Texas State College, has replaced Miss Helen Whiteside as physical education teacher of the high school as Miss Whiteside joined the WAVES.

Girls participating in volley ball practice are: Fawn Rogers, Pauline Baker, Lorene Seales, Billye Ponder, Tommie Ford, Gwendolyn Phillips, Velta Speer, Betty Jean Evans, Tony Patton, Pauline Ruthart, Marie Wesley, Mary Etta Canada, Claudine Foster, Barbara Bogert, Dorothy Bogert, Reabeth House and Kathleen Hillier.

Hoopsters Choose Year's Captains

Filling the role of co-captains of the Eagle Basketball team for the 1942-43 season are Calvin Sanders and Speedy Wright, former Eagle hoopsters, selected by their teammates Tuesday, February 16, at a meeting in the locker room.

Calvin, varsity guard, who graduated at mid-term, is now in California, but will return soon to enlist in the armed forces.

Forward Speedy Wright also graduated at mid-term and is, at present, working on his father's farm.

Cooperating in full spirit with Calvin and Speedy this year were George Black, Max Bosley, Chic Wirt, J. Spencer Winn, Bobbie Dowd, Lindsey Taylor, Leslie Gordon, J. Ray Hunter, Charles Taylor, Harley Hicks, Don Standley, Billy Ray Boling, Earl Gene Peppard, Tommy Thompson, and, most of all, Coach Milton Sanders.

Five Substitutes Assume Duties

Sophomore Representatives Award Unusual Consequences for Misses

With Tommy Thompson as master of ceremonies and Margaret Lair as announcer for the sponsoring firm, "The Snuggly Wuggly Air-Tight Straight Jacket Corporation," members of the sophomore class presented a "You Better Blab It Quick" program to the Canyon High School student body and faculty Friday in assembly.

Assistants to the program leader were Earl Lock Neff, Don Standley, Harley Hicks, and J. Spencer Winn, stooges; and Claudine Foster, timekeeper.

Losers Took Consequences!

After attempting to answer various questions, eight students who were chosen from "the hat of chance" took such consequences as "beeping out" "How Dry I Am," singing "White Christmas" to a "boogie-woogie" tune, eating a water pie with a fork, and chewing a string in contest fashion. Then Miss Mary Roberts took her consequences of leading the group in singing "Star Spangled Banner."

Rev. Jones Spoke

After leading the Pledge of Allegiance, Shirley Harrell, president of the Student-Faculty Congress, introduced the guest speaker, the Rev. Robert W. Jones, pastor of the local Presbyterian Church, who spoke on the adaptibility of learning what is offered in school.

Concluding the program, Mayor W. A. Warren urged all Canyon citizens to help do their part in winning the war by growing a victory garden.

Ration Sign-up Is School War Job

Not all of Canyon High School's student body will have holidays today, tomorrow, and Saturday. A large group of girls has consented to assist teachers in the food rationing registration at the school these three days.

Billy Jane Bonifield, Georgia Faye Holt, Willie Marie Babb, and Frankie Lou Goettsch, under the general direction of Mrs. Guy B. Tabor, will supervise the girls.

Miss Elva Fronabarger, site administrator, has urged citizens to fill out their declaration sheets before registering at the school in order to save time. These declaration sheets may be secured from grocery stores, the Rationing Board, or from newspapers. However, they must be signed in the presence of a registrar.

During each of the three days, registration will take place from 9 a. m. to 8 p. m.

Lindsey Taylor seems to have had his feelings hurt. Maybe it's Hereford, or at least its basketball squad —members.

Several girls have seen Billy Oscar Gano around the campus and they would like to know whether or not he intends to enroll in school. Maybe Mattie Garrison could tell us!

Departments Inaugurate Different Pledges

To fill teaching positions as substitutes in Canyon High School are five new women—Mrs. Dan F. Sanders, Mrs. A. K. Knott, Mrs. Hosea Foster, Mrs. Olin E. Hinkle, and Miss Amaryllis Robinson.

Mrs. Sanders, a graduate of Stephen F. Austin College with a major in Spanish and a minor in English and history, is teaching Spanish I and II, and a typing and a world history class. She, the mother of Ellen Sanders, sophomore, and Richard Sanders, third grade student, has done her Master's Degree work at West Texas State College in education, English, and government.

Teaching all high school mathematics now is Mrs. Knott, a graduate of the University of Colorado where she majored in romance languages and minored in math and education. Her husband is professor of English in West Texas State College, while her son and daughter, Jim and Marijo, are students in West Texas High School.

A jump from the math department to the science department was the transfer made by Mrs. Foster, a graduate of West Texas State College with a major in chemistry and a minor in math. She is teaching chemistry and two classes of general science.

Hinkle Sponsors Paper

Having worked on the Abilene Reporter News, the Lubbock Avalanche-Journal, and the Pampa Daily News, Mrs. Hinkle has accepted the sponsorship of the Eagle's Tale, along with that of two typing classes. Mrs. Hinkle, a graduate of Hardin-Simmons University, majored in English and minored in speech. She is teaching subjects parallel to the work of her husband, who is head of the department of Journalism at West Texas State College.

Miss Robinson, a physical education major supervising three girls' physical education classes, is a senior in West Texas State and has done her student teaching in physical education.

Speer Commends Capability

Completing the change of teachers and subjects, Mrs. Guy B. Tabor is directing bookkeepers, while Miss Claryce Whitten is teaching American history.

"We are exceedingly fortunate to have such capable women to fill the vacant positions, and I am quite sure progress of all students will continue in a satisfactory manner," said Superintendent J. B. Speer.

V-NEWS

How can I serve meat every day on 2½ pounds per person per week? If you have used meat generously in the past, this may be a problem to you.

Meat supplies four main food values in goodly amounts:

1. Protein
2. Iron
3. Phosphorus
4. Vitamin B

If you have been relying heavily on meat for these, make sure the meals you serve, using less meat, still supply ample amounts of the same food values. Poultry, cheese, liver, kidney, milk, eggs, fish, dried beans, soybeans and peanuts supply protein, phosphorus and Vitamin B. Excepting milk, fish and cheese these are also good sources of iron. For Vitamin B and iron, use whole grain and enriched cereals and bread. Green leafy vegetables are rich sources of iron.

Here are suggestions for preparing liver and kidney:

Scallop browned slices of liver with alternate layers of potato slices and a little onion. Cover with milk, bake until potatos are tender, using moderate oven. Cooked rice, macaroni, or noodles may be used instead of potatoes.

Tender kidney may be sliced and boiled; less tender ones make good stews.

Liver Loaf

1 lb. ground liver
1 lb. pork sausage
1 T. minced onion.
1½ c. bread crumbs
2 T. catsup
2 T. prepared horseradish
1 egg slightly beaten
1 c. milk
½ T. salt

Cook liver 10 minutes in boiling water. Grind and mix into sausage. Add bread crumbs and seasoning. Moisture with milk and beaten egg. Put in loaf pan and bake 1½ hours at 350 degrees F.

Kidney Loaf

1 lb. kidney
1¾ c. cooked macaroni
2 eggs
½ c. milk
¾ c. diced salt pork
1 t. poultry seasoning
½ t. salt
⅛ t. pepper
1 large onion

If kidney has strong odor, soak in salt water (1 t. salt to 1 pt. of water) for 35 min. If odor is absent, do not soak.

Run all the meat and onion thru the food chopper. Mix thoroughly into remaining ingredients. Form a loaf. Bake in moderate oven 375 degrees F. about 45 minutes.

TRINITY LUTHERAN CHURCH

Amarillo, 12th at Taylor.

Martin J. H. Hartenberger, pastor.

Sunday, February 28th, has been set aside at the Lutheran Church as a special day to recognize and implore the help of God in these days of unrest. In addition to the prayers for our country, the pastor will speak on the topic: "God is Our Refuge and Strength." The public is invited to attend this hour of divine worship to recall to mind the necessity of having God on America's side and to pray for victory and peace. The service begins at 11 a. m.

Thursday afternoon at 2:30 the Ladies' Aid Society will meet at the home of Mrs. Pauline Wendelken, Route 2, Canyon.

Speech of Roosevelt, Churchill, Hitler Are Discussed

Dr. Seth Fessenden spoke at the Rotary Club luncheon Tuesday, discussing the speaking abilities of Roosevelt, Churchill and Hitler. Stalin is a man of action, rather than words, and makes a very poor speech.

Gordon Lyons was in charge of the program.

Roosevelt is the No. 1 speaker of the world. He is an artist in delivery and in personality. His sense of rhythm and repetition are perfect.

Churchill is a logician. He has produced 16 books, and made 10,000 speeches. He has less personality than Roosevelt, and is less emotional than Hitler.

Hitler is a spellbinder, appealing to the emotions of his audience.

Dr. Fessenden illustrated with recordings of speeches from the three men.

J. W. Shook presented the Red Cross call for War Relief, which will start next Monday. The quota for the county is $2,700. He asked citizens to double the payment made in December, 1941.

Mr. Shook praised the work of the women in the sewing room, and the home service work of C. H. Jarrett, Guy Harp and Levi Cole.

I. S. Doak of Amarillo and T. V. Reeves of Canyon were visitors.

Help Keep Canyon Clean!

Thank you...

Your response to this company's appeal to conserve telephone service — your sacrifices of peacetime telephone convenience — have helped keep war calls flowing over the wires in ever-increasing volume. Thank you!

Under the handicap of stringent material shortages, the telephone problem during 1942 was somehow to add more telephones than in any two years before the war... while handling 67 million long distance calls — 15% more than in 1941 — 40% more than in 1939.

During the present year, 1943, even more war calls must be handled. They must and shall get through. But your help will be needed... every day and every evening... in making...

Fewer and briefer telephone calls, please, and...

Only *vital* long distance calls to busy war centers.

Again... thank you!
